REFLECTIONS & GOAL SETTING

Reflection Questions

Asking powerful questions results in powerful answers.

Your unique behaviors and motivators inform your personalized reflections.

Choose one Reflection Question. See how reflecting can help you find your best-fit career match.

Goal Setting Space

Set short-term and long-term goals to choose a career and map your pathway.

You are 90% more likely to achieve your goals if you write them down.

Create a mix of small and large goals.
Short-term = daily, weekly, monthly
Long-term = 1-5 years

6

MAKE AN ACTION PLAN

Create an action plan to achieve your goals. Small steps pave the way for big accomplishments.

ACTION PLAN

Action Step: Choose a goal from Step 5.	<i>My first step is...</i>
Timeline: Pick a due date that feels reasonable, but challenging.	
Resources: Identify the resources needed to complete this Action Step.	
Accountability: How will you stay on track? Find an accountability partner.	

Connect with your mentor regularly. Discuss your progress and areas where you need support. Communication is key to success!

Each completed step of your Action Plan fuels your larger career goal.
